BLAZE OF GLORYLast Day Dedicated to Eagles,  
Who Turn Out in Great  
Flocks.Special to The Tribune.  
BLACKFOOT, Ida., Sept. 22.—This was  
get-away day at the Southeastern Idaho  
fair, and things were certainly wound  
up in a blaze of glory. The day was  
dedicated to the Eagles, who turned out  
in a goodly flock from Idaho Falls, Poca-  
tello and other neighboring towns, mak-  
ing the attendance a record-breaker, con-  
sidered from the last day standpoint.  
Good Racing Card.The racing programme was not up to  
the standard set yesterday, but neverthe-  
less it was a first-class one. Nigger Boy  
took the harness event in straight heats,  
the best time being 2:31. The other events  
were all for gallopers, and went to the  
favorites in each event.Success All Around.  
The fair has been the most successful in  
the history of the association, both from  
the box office standpoint and the num-  
ber and excellence of the exhibits on display.KILLED BY A CAR  
Brakebeam Traveler Meets Death at  
Truckee.RENO, Nev., Sept. 22.—After traveling  
on brakebeams, in box cars and on the  
front end of passenger trains from  
New York City, in an earnest effort to  
reach what he stated to be his home in  
San Francisco, A. Hayes was struck by  
a box car in the railroad yards at  
Truckee yesterday morning, receiving  
injuries from which he died an hour later.  
The wheels of the car passed  
over his body and one leg, the mangled  
limb was amputated near the hip in an  
effort to save his life. Shortly before  
his death, Hayes stated that his home  
was in San Francisco. He was without  
funds, though comfortably and neatly  
dressed. Nothing was found on his  
person that can throw any light on his  
family. The coroner at Truckee is  
holding the body pending an inquest.  
Hayes was a young man not more than  
25 years of age.LOGAN EXCURSION  
Monday, September 25,  
Via Oregon Short Line. Special leaves  
Salt Lake 3:30 p. m., leaving Logan  
for return immediately after the pre-  
sentation of "The Jolly Musicians" by  
the Salt Lake Opera company, or tick-  
ets will be good for return on the 26th.  
Round trip only \$2.50.BLACK BOB RELEASED  
Hopes to Prove He Is Neither of Two  
Men Wanted.TRINIDAD, Colo., Sept. 22.—Robert  
Ervin McManus, familiarly known as  
"Black Bob," charged with being Wil-  
liam Franks, one of the Black Jack  
gang of train robbers, and also with be-  
ing a man named Potter, wanted in  
New Mexico for robbing a postoffice,  
has been released from the Las Vegas  
jail on bonds and has returned to the  
home of his father at Woodward, O. T.  
His mother has spent several weeks  
at Las Vegas and it is likely that he  
will be able to prove that he is not  
either of the men so badly wanted. He  
was arrested on his ranch near Trin-  
idad several months ago and taken first  
to Raton and then to Las Vegas.Figure Painting.

CHEYENNE, Wyo., Sept. 22.—Will-  
iam Jones, a negro, has arrived here  
from Ault, Colo., and gives the details  
of an exciting raid made by the citi-  
zens of that town on the negro popu-  
lation. The colored residents had be-  
come noisy and insulting in their ac-  
tions and as a result all of the white  
residents, armed with Winchester rifles,  
made an attack on the colored popu-  
lation. Every negro in the town was  
rounded up and run out of town, nu-  
merous shots being fired to frighten the  
colored men, who, about twenty-five in  
number, took to the hills and escaped  
overland.Saturday night the Salt Lake Opera  
company will present "The Jolly Musi-  
cians" in the Provo opera-house,  
Provo, Utah, leaving over the Salt  
Lake Route, 5:15 p. m., September 23,  
returning on special train, 11:30 p. m.,  
immediately after performance. Rate  
of \$1.25 has been put in by S. P. & O.  
& S. L. R. Co. for the round trip.

OF INDEPENDENCEA Strong Republican Is Tired  
of Voting for Bogus  
Candidates.TOOLS OF THE PRIESTHOOD  
GO NO MORE WITH HIMHe Shows How He Has Been  
Bunked in the Past,  
and Is Done.Editor Tribune: I am a Gentle Repub-  
lican, and, with the exception of some  
city elections, have voted the Republican  
ticket for over thirty years. Occasionally  
I have voted for Mormons and for Demo-  
crats in city elections, on the principle  
of voting for men who would help to give  
us a good city government. But I have  
had my fingers burned once too often.  
Henceforth, the only Mormon who will  
get my vote, no matter how strong a Re-  
publican he may profess to be, is one  
who has given some definite and satisfac-  
tory evidence that he is an independent  
American citizen, and not a mere puppet  
of the Mormon priesthood, ready to stand  
up or sit down whenever the church lead-  
ers will the strine.Must Oppose Priesthood Rule.  
Henceforth, also, the only candidate for  
any municipal office, and the only mu-  
nicipal ticket that will secure my sup-  
port and any vote, is the one that is un-  
equivocally opposed to priesthood rule  
in civil affairs. What a disgusting and  
expensive farce we have had in our city  
government in the past two years! Mayor  
Morris was elected as a Democrat. But he  
has left nothing undone to carry out the  
wishes of the Mormon hierarchy, with-  
out any regard whatever to the wishes  
and principles of the Democratic party.  
One of the wooden Indians in  
front of the clear stores is a more effi-  
cient Democrat than he, for the wooden  
figure would not wobble about as Mayor  
Morris does, yet always landing on the  
priesthood side.The Sudden Turncoats.  
In the Council seven men were elected  
as Democrats and Republicans, from the  
Mormon ranks. The most of them could  
not have been elected without Gentile  
votes. But they were hardly in their  
seats before they began to prove false  
to the principles of the political parties  
which they professed to represent, and  
to show that they were not American citi-  
zens at all, that they were neither Demo-  
crats nor Republicans, but simply the  
old style of subservient trucking  
Mormons, ready to fall down, "benevo-  
lently" to do homage to that priestly gov-  
ernment in civil affairs which has al-  
ways been antagonistic to the funda-  
mental principles of both the Republi-  
can and the Democratic parties.Genuine Party Men Disgusted.  
The genuine Democrats and Republi-  
cans of this city, through all the past  
fall and winter, are compelled to wit-  
ness the disgusting and traitorous per-  
formances of these seven Councilmen,  
who lived up, night after night, in the  
Council chamber, when important votes  
were taken, not to show their loyalty to  
good government and the principles of the  
two parties they professed to represent,  
but to show that they were spurious  
Democrats and false Republicans, and  
nothing but the subservient tools of  
priesthood rule in civil affairs.Saw an Example of It.  
While sitting in the Council chamber,  
within the past six months, I have seen  
a member of the priesthood go over to the  
seat of a Mormon Councilman, and, af-  
ter whispering in the latter's ear for a mo-  
ment, induce the Councilman to get up  
and change his vote, so that he might be  
kept in line with the other six mem-  
bers, although no question of principle  
was at issue.Reject the Bogus Party Men!  
Now, what sense is there in continuing  
to throw away our votes on such bogus  
Democrats and Republicans? I see that  
some of the Republicans have been talk-  
ing about nominating Councilman Hew-  
lett for Mayor on the Republican ticket.  
Personally, Mr. Hewlett is a very pleas-  
ant gentleman. But if the Republicans  
elect Mr. Hewlett Mayor, let them un-  
derstand clearly that they will get sim-  
ply and only a Mormon Mayor and not  
a Republican. During the past two years  
Mr. Hewlett has thrown his professed  
Republican principles behind him every  
time and lined up with the men who  
were ready to fall down and kiss the  
dust before the golden image of the  
priesthood.A Righteous Vow.  
So on the principle that a burnt child  
dreads the fire, I declare that I shall vote  
for no more such men on any ticket. I  
shall vote only for the men who are un-  
equivocally opposed to priesthood rule in  
civil affairs. I will not turn a man down  
simply because he is a Mormon if his  
record shows clearly that he is a gen-  
uine American citizen. But I am done vot-  
ing for Republican frauds who throw their  
professed Republican principles behind  
them as they get their official seats, and  
begin to do the bidding of the hierarchy.  
And I urge all genuine Democrats and  
Republicans to do the same thing, and  
stand together for much-needed American  
government in this city, provided the  
American party will give us a chance to  
have genuine American government. To se-  
cure that object I am just as ready, at  
the present time, to vote for a worthy  
Democrat on the American party ticket  
as for a worthy Republican.  
GENTILE REPUBLICAN.  
Salt Lake City, Sept. 21, 1905.

## FRANCHISE IS TAXABLE

Minnesota Supreme Court Decides  
Against Western Union.  
ST. PAUL, Minn., Sept. 22.—The State  
Supreme court decided in favor of the  
State today in the suit of the State of  
Minnesota against the Western Union  
Telegraph company. It was a suit to col-  
lect taxes on a valuation of the com-  
pany's property in the amount of \$3,000,000.  
This valuation is based on an as-  
sessment upon the company's franchise.  
The company resisted the taxation of  
its franchise, claiming that the State  
Constitution did not give that right. The  
court holds that franchises of all kinds,  
although intangible property, are taxable  
under the constitution.
